

### SUPERHERO RECYCLING DAY!

A huge well done to all who took part - we had some amazingly creative costumes. I know it was difficult for each class to choose a winner, and even more of a challenge for School Council to select from all finalists.

In addition to having fun, we managed to raise a total of £73.45 from your donations which will go towards our planting area outside. The finalists voted by each class were:

### MINI TENNIS COMPETITION

Last Friday, eight year 3/4 children took part in the mini tennis competition at Sale Tennis club. It was the first time that some of the children had represented the school so they were very excited but also slightly nervous. The children each had three matches each and played extremely well throughout the afternoon, with one team progressing to the semi-final of the plate competition. Well done!

### BOYS' FOOTBALL

The Y3 boys' football team made it to the winner's tournament following their triumph last week. The tournament took place at Carrington, home of Manchester United's first team but unlike their hosts the boys from Navigation played some exciting and adventurous football. The standard was extremely high and the boys came away with three wins, two losses and a draw. They missed out on a place in the champions cup final on goal difference by one goal! Everyone at Navigation should be extremely proud of the teamwork, positive attitude and determination shown by the team throughout the competition. Well done to Charlie C, Joe, Joshua, Charlie K, James and Matthew.

### FRED'S FUN DAY SESSION

On Tuesday morning, four sports leaders and a number of children from the Change4life group took part in a variety of activities such as noughts and crosses, stump ball and bean bag challenge, each activity was led by leaders from 6 different primary schools. Our sports leaders said that it was good to see the participants having fun and enjoying their sessions that they had planned. They also said that they felt more confident after each session that they delivered. The children that took part in the activities said they had an amazing morning, which was great to hear.

### SPORTS DAYS

On Friday afternoon, KS2 children found out their countries for sports day on Monday 25th June. If you are attending, please ask your child which country they are in so that it will make it easier for you to find their starting point. This will be displayed on a map which will be attached to the fence around the field. The current weather forecast looks like it will be an extremely hot afternoon, please ensure your child has a water bottle, sun cream and sun hat.

### TIMPERLEY TRACK

On Thursday afternoon, children from y3-6 attended the South Trafford athletics festival at Timperley track.
