

WELCOME

You know it is nearing autumn when we cover both football and flu in the same newsletter. Read about our first boys' match of the season and what to do if your child is ill, alongside an important safety message and our usual fun facts in the musician of the month section. Finally, we're inviting you into school on Friday morning for a good cause – hope to see you there!

BOYS FOOTBALL

The boys football team kicked off their season with two games against Broomwood and Broadheath. The team played with great spirit and determination, winning their first game 2-1 and losing the second 3-0 despite some positive passages of play. This season again we will continue to look to involve as many children who wish to represent the team as possible with lots more games to look forward to throughout the school year.

MUSICIAN OF THE MONTH

This week the children have listened to Handel's 'Hallelujah Chorus' - often played around Christmas, this well know piece of music was actually written for Easter!

Our musician of the month saw the 1974 hit - 'Please, Please, Me' hit the turntable as we learnt more about the Fab Four. Did you know the Beatles wrote several songs named after places in Liverpool such as 'Penny Lane' and 'Strawberry Fields'? They toured all over the world but played The Cavern Club in the city of Liverpool over 275 times!

HOCKEY SAFETY

If your child is a member of the Hockey Club, please remember to send them equipped with shin pads and gum shields. The hockey ball is very hard - and we have some brilliant hitters - so it is important everyone is protected.

MACMILLAN COFFEE MORNING – FRIDAY 27th

We are very excited to be hosting the Macmillan coffee morning next Friday at 9.15-10.15 so please come down and join us for some coffee and cake. The morning relies on donations, so any baked or bought cakes which can be dropped off before or after school from Wednesday onwards, would be much appreciated. If the children bring some money in, they can come down and buy some cake after the parents have left in their classes too. Thanks again for your help supporting such a great charity.

PTA COAT SALE

We would appreciate donations of clean, good-condition, children's coats for our coat sale please. **Collection** Monday - Wednesday morning under the covers. **Sales** - Wednesday - Friday afterschool. Thursday after the school club's sale time is also available.

ADMIN UPDATE

Unfortunately, despite the late sunshine, we are coming up to the season of colds and flu so just a quick reminder this week of what to do if your child is poorly or has a medical appointment:

- If your child is going to be absent, contact us via phone or [email](#) before **9.30am**. Provide your child's name, class and a brief explanation for their absence.
- If your child takes school meals but you have notified us of their absence prior to 9.30 don't forget to **claim a refund** on the Evolve system!
- If your child has sickness of diarrhoea, we ask that they stay away from school for **48hrs from the last 'incident'** to help stop bugs spreading through school.
- Do **keep us up to date** if they are going to be out for more than one day – it stops us worrying and bothering you for updates!

Thanks as always, for helping the start of school run smoothly, your engagement and support is really appreciated.
