WELCOME

Everyone was very proud of our Y6's this week – read all about their brilliant efforts in this edition, together with a trip report from Y5 and a trip to the nurse for Reception. Your PTA also have a superb sale which they want you to know about and the office has a couple of important requests and reminders that they'd appreciate your help with.

Y6 SAT'ed THEIR THIRST FOR KNOWLEDGE

Miss Munro and Mr Heap were very impressed with the effort Y6 put into this week's SATs. With many children joining the breakfast club - which some said was the best bit about the whole week - everyone came into school prepared and ready to perform. Well done everyone, and a heartfelt thank you to all parents and carers for your constant support throughout what was a demanding and exhausting week.

Y5 WERE QUARRYMEN!

This Thursday, as part of their Industrial Revolution topic, Y5 visited Quarry Bank Mill. Learning all about cotton spinning and weaving, they also met a very strict Victorian teacher and were 'made' to carrying out some tasks children their age would have done. Y5 were extremely interested in everything they experienced and asked lots of thoughtful questions. By the end of the day, most decided they preferred being children in the 21st century! Many thanks to our parents for helping the day to run smoothly and enjoyably.

MUSICIAN OF THE MONTH – GUNS N' ROSES

This week we listened to November Rain – what a sad song! The band's guitarist is called Slash and whilst you may know him for his cool guitar solos, what you may not know is that he has appeared on Sesame Street and loves reading crime novels – very rock and roll!

HAVE YOU HEARD ABOUT RECEPTION?

Our reception children behaved impeccably on Thursday as they all went to see the school nurse for their hearing checks. The test was fun, and everyone impressed the nurse with their concentration and effort. Trafford Nursing Team will get in touch with any parents/carers should they think any follow up for your child is required.

CELEBRATE YOUR SPORTING ACHIEVEMENTS

Does your child play football or frisbee out of school? Are they a member of a sports club or enter sporting competitions. We are working on a project to celebrate everyone's sporting achievements - both in school and at home – so we'd love to hear about all your sporting activities. Simply drop a note to your class teacher to share your news.

FRANCIS HOUSE - THANK YOU!

Francis House wrote a letter to say thank you for all buying their Easter Chicks. You raised a whopping £781.83, helping this years' appeal reach an amazing overall total of £70,000.

TRIP ATTENDANCE

Our children love going on school trips, and to make sure we go to the places they enjoy, we often book and pay for venues in advance. Due to this, it's important you let us know as soon as you can if your child is unable to attend due to a planned absence. Having paid for their place, if we are unable to give the correct cancellation notice, we cannot claim the money back and the cost comes out of school funds.

MEDICINE MATTERS

Sometimes a child needs medicine but is well enough to be in school. When this happens, please visit the Office to drop off the medicine and complete a short form outlining the dosage and duration. We have a fridge to store antibiotics and can safely keep other medicine for short periods of time - **never** send medicine/cough sweets etc into school with your child. Please ensure your child and their teacher are aware medicine is in school, so they remember to visit the office for their dosage!
